Account / Access Rights
Students of Hochschule Hannover will automatically receive their access data at the beginning of the semester. The university account will be deactivated 2 weeks after your exmatriculation.

User’s Guide:
These guidelines are to ensure a largely trouble-free, unrestricted and secure use of the communications and data processing infrastructure at the Hochschule Hannover (HsH).
https://service.it.hs-hannover.de/faqs/benutzungsordnung/

Changing your Password:
Changing your password also activates your e-mail box.
https://accounts.hs-hannover.de/

E-Mail:
Your e-mail address has the following format:
firstname.lastname@stud.hs-hannover.de
► Receiving/sending e-mails:
  Via Internet-Browser: http://mail.hs-hannover.de
  More information at:
  https://service.it.hs-hannover.de/services/e-mail/

Home Directory:
Up to 5GB storage capacity (can be expanded if needed). Accessible via the U: drive.

Checking Test Results Online:
At the end of your exchange semester you will receive a transcript of records.

Printing:
Several powerful A4 / A3 printers are available in the Computer Centre. Each computer lab has its own b/w laser printer, which also allow double-sided prints. The printers are located on the ground floor in room 1C.0.07. To use these printers, you must have sufficient credit on your printing account.
  ► Printing account reloader (see CampusCard flyer)
  ► Printing costs:
    b/w prints (A4/A3): 0,04 € / 0,08 €
    colour prints (A4/A3): 0,16 € / 0,32 €
    b/w plotting: A1: 2,60 €; A2: 1,30 €; A3:0,70 €

Sophos Antivirus Program:
The software and instructions for installation can be downloaded from the following website:
https://service.it.hs-hannover.de/faqs/sophos/

Home Directory:
Up to 5GB storage capacity (can be expanded if needed). Accessible via the U: drive.
